AMPHITHEATER REGULATIONS

1. A written permit for use of the Amphitheater must be obtained from the Parks Department Director or a representative designated by him. Application must be made at least three (3) working days in advance of the date requested. A reservation will be charged for each block time requested.
2. All music must be maintained no louder than sixty-two (62) decibels at a distance of 240 feet (the big fireplace) from the music source. If the noise level is anticipated to be louder than 62 decibels at the big fireplace, the big fireplace must also be reserved by the same group and the sound level shall not exceed 62 decibels at 500 feet. Special permission must be granted on the reverse side of this form for raised noise levels. Following proper warning, power will be shut off at the Amphitheater when a group abuses the sound restrictions, thereby terminating the performance.
3. If large crowds are anticipated, the picnic area by the big fireplace must also be reserved to avoid parking and crowding problems.
4. Vehicles will not be allowed on the turf **for any reason**.
5. No advertising is allowed in the park.
6. All benches and tables in the park are to be used for the purpose intended and not as dance platforms.
7. Use of the Amphitheater shall terminate no later than sunset or 9:30 p.m., whichever one occurs first, unless written permission is granted otherwise on the back of this form. The Amphitheater's season shall be from April 1 through October 15.
8. The audience participants in any gathering at the Amphitheater will be expected to leave the area in an uncluttered condition. Failure to do so will constitute a misdemeanor. Major responsibility will rest upon the group / organization making the reservation.
9. The person requesting use of the Amphitheater will be responsible for the actions of the group and is required to be present the entire time the group is playing. If the group representative finds it necessary to leave for short periods of time, he/she will designate someone as an alternate supervisor.
10. Any group / organization that does not comply with these rules will not receive permission to use the Amphitheater in the future.

Refund requests due to reservation cancellation must be made no later than four (4) business days prior to the reservation date, however earlier notification is greatly appreciated. No refunds or credits will be given without 4 business day notification. A processing fee may be charged on all refunds.

I have read and understand the park policies on the front and all the above regulations during the use of the Amphitheater.
